

Thermo Fisher Scientific Completes Acquisition of Brammer Bio

WALTHAM, Mass., May 1, 2019 /PRNewswire/ -- Thermo Fisher Scientific Inc. (NYSE: TMO), the world leader in serving science, announced today that it has completed its previously announced acquisition of Brammer Bio, a leader in viral vector manufacturing for gene and cell therapies, for approximately \$1.7 billion in cash. The completion of the transaction follows the receipt of all required regulatory approvals.

Brammer Bio has nearly 600 employees at primary locations in Massachusetts and Florida and will become part of Thermo Fisher's Pharma Services business within its Laboratory Products and Services Segment.

About Thermo Fisher Scientific

Thermo Fisher Scientific Inc. is the world leader in serving science, with revenues of more than \$24 billion and approximately 70,000 employees globally. Our mission is to enable our customers to make the world healthier, cleaner and safer.
