TMO

WALTHAM, Mass.--([BUSINESS WIRE](#))--Thermo Fisher Scientific Inc. (NYSE: TMO), the world leader in serving science, announced that it will release its financial results for the second quarter of 2012 before the market opens on Wednesday, July 25, 2012, and will hold a conference call on the same day at 8:30 a.m. EDT.

During the call, the company will discuss its second quarter financial performance, as well as future expectations. To listen, call (866) 804-6922 within the U.S. or (857) 350-1668 outside the U.S. and use conference ID 27442368. You may also listen to the call live on the "Investors" section of our website, www.thermofisher.com. The earnings press release and related information can be found in that section of our website under "Financial Results." A replay of the call will be available under "Webcasts and Presentations" through Friday, August 24, 2012.

About Thermo Fisher Scientific

Thermo Fisher Scientific Inc. (NYSE: TMO) is the world leader in serving science. Our mission is to enable our customers to make the world healthier, cleaner and safer. With revenues of \$12 billion, we have approximately 39,000 employees and serve customers within pharmaceutical and biotech companies, hospitals and clinical diagnostic labs, universities, research institutions and government agencies, as well as in environmental and process control industries. We create value for our key stakeholders through three premier brands, Thermo Scientific, Fisher Scientific and Unity™ Lab Services, which offer a unique combination of innovative technologies, convenient purchasing options and a single solution for laboratory operations management. Our products and services help our customers solve complex analytical challenges, improve patient diagnostics and increase laboratory productivity. Visit <http://www.thermofisher.com>.
